Julie,

I just wanted to clarify what data you need. I thought the quarter consisted of January thru March-not thru April. Or is that what you want (Jan thru April)?
Let me know,
Sharon

Subject: Quarterly Stats

Hello,
The next Forensic Sciences Advisory Board is scheduled for Tuesday 6/ 21, therefore I will need quarterly data January 1– April 30 , 2010 (# cases submitted, # cases tested, number of samples submitted, # samples tested, backlog, turnaround time, # summons received, # court appearances)

Because we are off schedule with this meeting, there is a month of data outstanding (May), if possible I would like the same info for may 2011 but separate from the quarterly info.

Thanks,

I have another meeting on the morning of the 21st outside the building, so if you can provide these data by Monday afternoon (6/20) that would be fantastic.

Thanks, Julie
